Backing Characteristics

Primary Backing:	Woven polyester
Secondary Backing:	Latex

Total Product Weight

+/- 2500g/sqm	Margin: +/- 10%
---------------	-----------------

Warranty

2-year warranty

Installation & Maintenance

The TVS Sprint Track is low in maintenance, just like artificial grass, but not maintenance-free.

- Ask for the installation manual for installation.
- Use a vacuum cleaner (with brush) to clean the track.
- Use clean water and mop to rinse the track.
- Avoid contact with hot materials (or close proximity to glass structures) to prevent shrinkage of the grass fibres.
- Do not drop any weights on the track.

Warranty Conditions

Each TVS Sprint Track has a 2-year warranty against fibres coming off, under the following conditions:

- Installation manual is read before installing.
- Track is attached proper to the floor with double-sided tape or glue.
- Spiked shoes are not allowed.
- The floor must be 100% flat.
- Track must be surrounded with another floor or wall (for example lying between rubber flooring).
- Sled cannot be used outside (change of damage/hooks the sled).

TECHNICAL INFORMATION

Logo/Design

- For the production of your logo or design, a Vector file is required – with preference .eps or .ai file.
- We can also produce the shape of a logo or design, such as a circle, ellipse, hexagon or crest.
- Margin total size logo mat: +/- 5%.

Guidelines Logo/Design

Letters, signs and logos need to be legible and feasible, so please take the following guidelines into account:

- Minimum height letter: 6cm
- Detail (width): 0.8cm
- Space in between letters: 0.8cm
