Secondary Backing: Latex
Water Permeability: With drainage holes

TVS Sprint Track – Start & Finish

TECHNICAL INFORMATION

Total Product Weight

3500g/sqm

Margin: +/- 10%

Warranty

2-year warranty

Installation & Maintenance

The TVS Sprint Track is low in maintenance, just like artificial grass, but not maintenance-free.

- Ask for the installation manual for installation.
- Use a vacuum cleaner (with brush) to clean the track.
- Use clean water and mop to rinse the track.
- Avoid contact with hot materials (or close proximity to glass structures) to prevent shrinkage of the grass fibres.
- Do not drop any weights on the track.

Warranty Conditions

Each TVS Sprint Track has a 2-year warranty against fibres coming off, under the following conditions:

- Installation manual is read before installing.
- Track is attached proper to the floor with double-sided tape or glue.
- Spiked shoes are not allowed.
- The floor must be 100% flat.
- Track must be surrounded with another floor or wall (for example lying between rubber flooring).
- Sled cannot be used outside (change of damage/hooks the sled).
